Every child born into the world is a new thought of God,
an ever-fresh and radiant possibility.

Children have more need of models than of critics.

The training of children is a profession where we must
know how to lose time in order to gain it.

It is better to keep children to their duty by a sense
of honor and by kindness than by fear.

Never despair of a child. The one you weep the most
for at the mercy-seat may fill your heart with the
sweetest joys.

Lord Jesus, we thank Thee for the spirit shed abroad in human hearts on Christmas.

As we celebrate Thy birthday, may we do it in a manner well pleasing to Thee. Wilt Thou help each one of us to keep Christmas alive in our hearts and in our homes, that it may continue to glow, to shed its warmth, to speak its message during all the bleak days of winter.

So give us joyful, cheerful hearts to the glory of Jesus Christ our Lord.

Amen.
