## P E A C E

To be glad of life because it gives you the chance to love and to work and to play and look at the stars;

To be satisfied with your possessions but not contented with yourself until you have made the best of them;

To despise nothing in the world except falsehood and meanness and fear nothing except cowardice;

To be governed by your admirations rather than by your disgusts;

To covet nothing that is your neighbor's except his kindness of heart and gentleness of manner;

To think seldom of your enemies, often of your friends;

These are little guide-posts on the footpaths to Peace.

"Why are you so late?" asked the teacher.

"It's so windy outside," explained Johnny, "that every time I took a step forward I slid back 2."

"At that rate, how did you get here at all?" she challenged.

"I finally gave up trying," he explained, "and turned around to go home."

## MOTHER'S HEART

Sacred chalice

The heart of a mother, possessing God above

Should waters cease to flow, should nations part

And yet still beat a mother's heart

That alone could be the proof

Of God's unchanging love

### May You Have The Grace To Ask God:

- To give you judgment to see the right, courage to choose the right, and willingness to follow the right;
- To build on faith rather than on doubts;
- To move forward in the hope of what can be accomplished and not be held back by what cannot be done;
- To see the possibilities in the new and not be paralyzed by the difficulties to be overcome;
- To discover a sense of mission that life may be important and purposeful for you rather than dull and purposeless;
- To measure values in terms of service to others rather than benefit to self. (From Inspiration for Living by Paul S. McElroy)

### Where Must The Search for God Begin?

I searched so hard  
to understand.  
Why I could not feel  
God's loving hand.

I followed paths  
which brought despair,  
Hopeless burdens,  
needs to share.

Where was this God  
who loved me so?  
How could He?  
if He knew my soul.

I'd better hide  
so he cannot see.  
There isn't much  
to love in me.

I kept on running,  
avoiding truth  
Appearing touchable  
yet staying aloof.

Then came a day  
I was forced to stop!  
And be alone  
with me.

I heard a voice  
say "Search no more  
I live inside  
of thee".

Everything you do is of importance because much which needs to be done will be done only if you do it.

# God bless you!
