

Sacred Heart Parish

Alcohol Policy: December 2014

The use of alcohol is forbidden at any social gathering, meeting, or group activity (outside of Holy Communion) on the premises of Sacred Heart Catholic Church.

Any person or Group found using alcohol or providing alcohol at any function, will be asked to leave and/or find another place for their event.

Our Church buildings and grounds house the Body of Christ in the tabernacle. Out of respect for the precious Body of Christ and for one another, this policy is put into effect to provide a safe environment for all people; children and adults alike.

Sincerely Yours in Christ,

Rev. Scott J. Garrett
Pastor
